RAFT PAPER

Role of Writer :	General Sam Houston	Format:	Peptalk
Audience:	The Texas Army	Topic:	Focus on the goal

Com'mon just because Santa Anna's troops are
winnin' doesn't mean that we gon' lose. As long as
you keep up the good work we can win. Remember
you are here for our independance from Mexico
so Texas can be its own state. Don't forget to hold your
heads up high and believe that this is your Destiny!
