Role of Writer:	General Houston	Format:	pep talk
Audience:	1st Army	Topic:	Focus on Goal

I want you to hold some
 heads high because we're going
 to win this next battle. Santa
 Anna won at the Alamo, but we're
 going to win the next time. We
 will get our independence from
 Mexico because we are to talk
 go out there and win for our
 brothers who died at the Alamo. They might
 have more soldiers than us but
 we have more heart. Our freedom on
 the line, boys, Victory or Death.
