"OK" guys, this is the time!  
We're past the middle of the  
Texas Revolution. A lot of us have died.  
We still have a few more  
weeks, keep it up. I bet independence  
will make you glad. So win this  
revolution and you'll be independent  
and glad. Also I bet the  
Texans and Americans will be glad.  
So let's win this war!
