

Texas Tides Photo Analysis Sheet – Grade 7

The Old Stone Fort

Study the photograph of the Old Stone Fort for two minutes. Answer the following questions, using the photograph.

Identify this photograph and the date it was taken.

Describe the building

Look at the five men in this photograph.

Describe the clothing of the two men on the left and the man of the far right

Describe the clothing of the two men in the middle.

Describe the difference between the clothing and posture of the man leaning against the corner of the building and the man on the far left.

Can you infer from the clothing of the two men on the left and the man of the far right what they do for a living? What evidence is there in the picture to support this conclusion?
