

## "Example Page for the 8 Parts of Speech Storybook"

**Noun - a person, place, thing or idea**

Sam Houston, Old Stone Fort, pen, "Love"

Once upon a time, Sam Houston had a pen. Love is what he had for his pen. Everyday he wrote letters to his mother in the Old Stone Fort.

\*\* As you can see, the "heart" image is not from the Tides site. Students may have to substitute an approved image from elsewhere for Noun- "idea."
